## Social Cooperative Enterprise

Is a Social Cooperative Enterprise under the Social Registry of the Ministry of Labor and Social Insurance, a member of the Hellenic Medical Tourism Council, is active in the field of tourism health and specifically in medical and thermal tourism. Its purpose is to communicate the comparative advantages of Greece abroad in the context of EU Smart Specialization RIS3 aimed at overall economic development.

We represent selected hospitals, clinics, and rehabilitation centers of the private sector as well as hotel facilities with medical and nursing infrastructure throughout the year, organizing visits to rich in content Thermal baths and unique spas.

### Our services

- The mediation between the health care provider and the patient.
- The reception of the patient and his escorts in the destination country as well as for safe transportation to the medical center.
- The procedural issues of the trip, as well as the patient's bureaucratic facilitation. So we make the experience of the trip a stress free process.
- The hotel accommodation, the flight procedures and the appointments with doctors.
